

## PRODUCER SELF-CERTIFICATION OF IRRIGATION HISTORY

**Background:** In order for the NRCS to provide financial assistance towards an irrigation system, there must be a valid water right for the land serviced by that system. Also, land irrigated by the system for which financial assistance is requested must have been irrigated **two** of the past **five** years in order for the landowner to receive financial assistance under the Environmental Quality Incentives Program (EQIP).

<b>Landowner/Operator/Farm Name:</b>		
<b>Project:</b>		
<b>County:</b>		
<b>Farm/Tract Number(s):</b>		<b>Field Number(s):</b>
<b>Township:</b> _____	<b>Range:</b> _____	<b>Section(s):</b> _____
<b>Water Source(s):</b>		
<b>Irrigation Season →</b>	<b>Beginning month:</b>	<b>Ending Month:</b>

One or more of the following documents supporting the described water use is attached and certified as specified by NRCS:

Copy of water right permit(s) and/or certificate(s) including Water Right Certificate and/or Permit Number(s). This information is available at the following URL:

<http://www.wrd.state.or.us/OWRD/WR/wris.shtml>  
for Water Rights Information Query and/or Platcard

Irrigation canal records and supporting documentation from other water supplier(s),

Copies of receipts from sales of irrigated crops or for expenditures related to the use of water on the designated land,

Dated aerial photographs of the lands or other photographs containing sufficient detail to establish the location and date of the photograph,

Dedicated power usage records or receipts,

Other: \_\_\_\_\_  
\_\_\_\_\_

Verifying authority (specified by NRCS):

Watermaster      Irrigation District      Other (Specify) \_\_\_\_\_

**I concur that a valid water right/permit/certificate for the above named property exists to supply water during the irrigation season defined above:**

Comments:
-----------

/s/ \_\_\_\_\_ Date: \_\_\_\_\_  
(Watermaster, Irrigation District, Other)

**Irrigation History:** It is the responsibility of the producer to provide NRCS with accurate irrigation history records necessary to verify that land serviced by systems funded under the EQIP program has been irrigated two of the past five years.

Provide information for all fields to be supplied by the system(s) for which NRCS assistance is provided.

Farm/ Tract	Field #	Current Method of Irrigation	Total Acres in Field	Acres Irrigated in 200__	Acres Irrigated in 200__	Acres Irrigated in 200__	Acres Irrigated in 200__	Acres Irrigated in 200__

I certify that the acres have a valid water right and have been irrigated as listed above.
